IDENTIFICATION

D-GREASE®

The precise composition of this product is proprietary information. A more complete disclosure will be provided to a physician in the event of a medical emergency.

Contains substance(s) subject to Section 313 of SARA Title III and 40 CFR 372

HAZARDOUS INGREDIENTS

Isopropyl Alcohol

400 PPM

400 PPM

67-63-0

Less than 5%

PHYSICAL DATA

<212° F

Not determined

>1

Complete

Blue, low viscosity liquid, perfumed odor

Below 32° F

Less than 1 (n-butyl acetate=1)

FIRE & EXPLOSION HAZARD DATA

114° F, PMcc

Not applicable

Alcohol foam, CO₂, Dry chemical

Use water spray to cool fire exposed containers

None

REACTIVITY DATA

Stable

Strong oxidizing agents

Strong acids, heavy metals

Combustion will produce carbon monoxide and carbon dioxide

Will not occur

HEALTH HAZARD DATA

Skin, ingestion, eyes

May cause eye and or skin irritation on repeated contact. Excessive breathing of unventilated spray mist may cause irritation of nose, throat, and lungs.

Not listed by NTP, IARC, OSHA

May cause eye irritation

May cause skin irritation

May be discomfort

None know

EMERGENCY AND FIRST AID PROCEDURES

Immediately flush eyes with running water for 15 minutes. Obtain medical aid.

Wash with soap and water. Remove contaminated clothing and wash before reuse.

Do not induce vomiting. Drink water in large amounts and immediately call a physician

Remove individual to fresh air. If symptoms persist, call physician.

PRECAUTIONS FOR SAFE HANDLING & USE

Wear protective clothing. Contain spill. Return to suitable container. Hold for disposal

Dispose of in accordance with all existing local, state, and federal ordinances.

Normal care in handling and storage, keep from freezing

Keep out of reach of children.

CONTROL MEASURES

None required for normal use.

Local exhaust to control spray mist

Nitrile or neoprene

Chemical splash goggles.

As required

Practice reasonable care and cleanliness. Avoid prolonged breathing of vapors.
